

# CONFLICT SENSITIVITY & DO-NO-HARM

## ROLE PLAY

### Community Meeting on a new Public Health Initiative

#### **Roles:**

1. Local Government Official
2. Community Leader
3. Local NGO representative
4. Residents of the community

#### **Instructions:**

The Local Government Official is introducing a new public health initiative to the community. The Community Leader, NGO representative, and Residents have different perspectives and concerns about the initiative. The goal of the role-play is to demonstrate how each participant can adopt behaviors that promote positive values, such as respect, empathy, and active listening, and send positive messages to others, fostering a peaceful environment.
